Amazing place to stay! By far the most creative and thoughtful design of any home you can rent. We were only a group of 5 which allowed us to take full advantage of everything the home has to offer. Would HIGHLY recommend to anyone! With two young children it was also nice not having to leave and go to various attractions, this is the attraction! Thank you to Andrew, Alyssa and the whole team. They are all top notch and I promise anyone reading this you will have the time of your life!

Omg we had the best vacation at the great escape. So many things to do for the whole family. The hunt for the lotto ticket was fun and holding the record for the fastest time to complete the world's biggest maze is exciting. I completed it in less than 10 mins!!!! It was so much fun and the kids are still talking about it. Great Escape is awesome. You won't regret booking it!!!!

"Amazing" was a word that was used many times in the YouTube videos i watched before staying at the Great Escape Parkside!! After me and 40 other family members stayed here in June 2022 I can also say it truly is AMAZING! We are now wondering how we would be able to top our 2022 vacation. Probably only by returning to one of the other locations or repeat Parkside. The only real issue we had was closet space. Everything else was great. Everything you need in the kitchen, access to the laundry and the many towels available for the pool! We had an awesome and wonderful time leaving us with long lasting memories!!! Thank You for your creativity!!!!

Beautiful property, what an awesome rental location. My favorite rental property so far and we have rented many properties in the past all over central Florida. The amount of things to do in this house will keep you and the kids busy. The gamers and movie buffs will love the theater. You like karaoke, they have that. Chess, there were like 3 different types of chess boards, maybe more. You just want to have drinks and hang out, the outdoor fridge and grill right by the pool/jacuzzi can keep you busy all day while you soak, drink and eat. We stayed about 4 days but next time we will be staying a week or two.

Vacation

If you stay here, you're never going to want to leave. To go to the theme parks or to go home. It's amazing, there's everything a family could need to keep them and the kids entertained while they stay. It's awesome, I love it.

We have had an amazing vacation at the Great Escape Parkside. Our party of ages 18 months to grandparents all had lot and lots to do. The swimming pool and hot tub are large and well designed! It's been a wonderful place to reconnect with family while playing, laughing, and exploring. Andrew and Belinda have a beautiful vision for lovely spaces and places to enjoy each other's company.

We had such an amazing time celebrating my 50th birthday last weekend! There were about 50 people, adults and kids, and everyone had so much fun!! Some of our favorite things to do at the house were the lazy river, the giant water slide, the Not So Bored Game, the Twister room, the laser room, skeeball, all the carnival games (especially the speed of light), the Pac-Man room, karaoke, & the escape room!! There was so much to do that we all wished we could stay a few more days!! Since we got home, all my family and friends haven't stopped talking about all the fun they had, and we all plan to go back again soon!! 🎉

This house is great fun for the whole family. Especially, for the kids or the kid in you ... 😊  
My family stayed for 3 days. September 8th through September 11th. You may need to add a few more days; we didn't want to leave.

This house was AMAZING!!!! The details the owner put into each room, hallway, picture and decorative was like nothing I have ever seen. There is something for every age! We were a large group of over 20 people but it was never crowded and there was always someone playing some game. From a simple game of air hockey, settler of Catan, or ski ball to life size bowling, wack a mole and a pool with a lazy river this house has everything!! For your next party celebration or even just a weekend with friends... this house is the place to be! Blown away.

Our family has enjoyed more than one Great Escape location, and we keep coming back because they are the best trips ever! It is the perfect way to vacation with families - especially with little ones! We have a 3 & 6 year old and there is never a dull moment! From countless games to play, to a personal movie theater, and no one could miss out on the amazing personal pool with a lazy river and slide! We simply LOVE vacationing at all of the Great Escapes locations.

BEST TIME EVER AT GREAT ESCAPE!! 25 FRIENDS AND FAMILY AND EVERYONE THRILLED! we probably had the craziest party that anyone had there since we all had to wear goofy clothes and props every day, we had theme days (ie: tiny hat and mustache day), we had every meal catered by local restaurants, we had a craft table all over the kitchen table, our ages were 26 thru 70 and there was something for everyone, we had many competitions, we had our own "passports" that had to be signed by the winning person you played a game with, we filled both refrigerators with extra food, we used every inch of the resort, it was a 40 year old birthday party, the slide was used alot and while you were sliding down you had to yell a greeting to the birthday girl, the huge games outside were used even in the light rain, the beds were totally comfortable, we marveled at each game room, the theatre was a nice break from the crazy music we blasted 24/7, we had so much pool time and there were huge piles of towels for us, the lazy river was used almost 24/7 by someone (even middle of the night) and everyone had silly head animals or crowns, or headbands with things bobbing on them going round and round that lazy river, along with boas and tutu's and hats.

the huge chess game in the big open space was a hit, there are actual boxed games glued to the ceiling pointing the way to the room with that theme, there are games inside of games!!! creativity was at the highest level. we had people come from a few different countries and from all over the U.S , so quite a melting pot and the resort was the best days ever for everyone. 5 stars bar none.

This place is insane!!! The owners are awesome! I can't wait to go back. You don't even have to be a fan of games to enjoy this place. And the backyard!!! Wow just no words of how great our time was here!

We just celebrated a family event (a Bar Mitzvah) at the Great Escape Parkside. We had the most amazing experience! We had some minor concerns with the littlest things, and they were all taken care of within hours. We could not be happier. From the pool to the little touches around the house, we used every aspect of the house, and were wonderfully entertained for the 3 days we were there. Our youngest was 4 months, and we went up to 6 grandparents. I was surprised how easily we could create memories with even the "little things" (for example, the large chess set was used multiple times, and the vertical chess set was used throughout the weekend, as was the scrabble). The kitchen and outdoor grill worked great, we could easily cook for the crowd we had. The kids were so entertained, the adults got some time to themselves! I highly recommend Great Escape Parkside!

Our party of 20 stayed here for three nights and we had a great time! The pool was probably where we spent the majority of our time. The lazy river was a favorite with the group. All my questions were answered quickly by Alyssa, she was very helpful and polite. We will definitely look into booking another trip in the future!

This was my second time staying at The Great Escape Parkside. The house is a blast for our entire group- multiple families with ages from toddlers to grandparents and everywhere in between. It is evident the owners have put a lot of time and effort into all the game options and home decor. There is always something to do. My child is happy to spend all day in the pool going down the slide or floating around the lazy river. I love the air hockey table and movie theater. I can't wait to return!

Truly enjoyed our adventure at Great Escape! The pool and lazy river were my favorite and the kids hardly had enough time to enjoy all the activities. Set in very peaceful surroundings. Highly recommend for large groups, so much space to spread out but also accommodates when everyone wants to eat and hangout with each other too.

I have stayed at Great Escape Lakeside and twice at Great Escape Parkside. This past weekend my entire family came for a Family Reunion. I can't think of anyplace that could have been better. Youngest was 5 months and my Father was the oldest at 93. All of us were in the pool and had a weekend none of us at every age will forget. My 5 year old grand daughter cried when we left. You can't replace memories made for a lifetime. Thank you so much Andrew for thinking of an incredible place for people of all ages to enjoy.
